President's Message 2024

As we look to spring and hopefully getting outside and onto the diamonds, the P.W.S.A. Board of Directors would like to take this opportunity to welcome all teams to the 2024 season and thank you for your continued support in this sport we all love. Your dedication and commitment to softball is what helps keep our sport thriving in Ontario and Canada.

We are looking forward to another exciting season on the diamonds. In addition to our Qualifiers and Provincial Grand Championships, Aurora will host the Intermediate Ladies Eastern Canadian Championships. For further information please check our website at

<http://www.pwsaontario.com/competitions/championships>

Provincial Championships will be designed to crown our Champions and accommodate sending teams to Eastern Canadians for our U13 (Tier I), U15 (Tier II), U17 (Tier II), U19 (Tier II) and Intermediate II divisions. Canadian Qualifier winners and U19 I, and Women's Provincial winners will earn the right to represent Ontario at Canadian Championships. If you have any questions or wish more information, please contact your divisional coordinator.

P.W.S.A. is proud to continue our partnership with Respect in Sport to create a culture of fun and respect in a safe environment for our athletes.

The Ontario Government, through the Ministry of Tourism and Culture and Sport, continues to offer opportunities for funding to our athletes. The Quest for Gold – Ontario Athlete Assistance Program provides support to athletes in elite categories to continue their training and to further develop their skills in this great sport of ours.

Amendments to the By-Laws and Operating Rules have been posted on our website and printed in this booklet. Please be sure to read them carefully.

To the hosts of our Playoff tournaments, we cannot thank you enough for your dedication and hard work throughout the summer. Our hats are off to you!

Last, but certainly not least, I would personally like to thank the P.W.S.A. Board of Directors, Softball Ontario and Softball Canada, our Umpires, our Association leaders and all volunteers across the country for giving our athletes the opportunity to play this great sport of ours and for helping to fulfil their dreams.

I look forward to seeing you on the diamonds, may sunny skies prevail and please be safe.

Yours in Softball,
Debbie Malisani
P.W.S.A. President

CODE OF CONDUCT AND ETHICS

* Indicates a section that has been adapted from the UCCMS.

Purpose

1. The purpose of this Code is to ensure a safe and positive environment (within P.W.S.A.'s programs, activities, and events) by making Participants aware that there is an expectation, at all times, of appropriate behaviour consistent with P.W.S.A.'s core values. P.W.S.A. supports equal opportunity, prohibits discriminatory practices, and is committed to providing an environment in which all individuals are treated with respect and fairness.

Application of this Code

2. This Code applies to Participants' conduct during P.W.S.A.'s business, activities, and events including, but not limited to, competitions, practices, tryouts, training camps, travel associated with P.W.S.A.'s activities, P.W.S.A.'s office environment, and any meetings.
3. A Participant who violates this Code may be subject to sanctions pursuant to P.W.S.A.'s Discipline and Complaints Policy. In addition to facing possible sanction pursuant to P.W.S.A.'s Discipline and Complaints Policy, a Participant who violates this Code during a competition may be ejected from the competition or the playing area. The official may delay the competition until the Participant complies with the ejection, and the Participant may be subject to any additional discipline associated with the competition.
4. *This Code applies to Participants active in the sport or who have retired from the sport where any claim regarding a potential breach of this Code occurred when the Participant was active in the sport.
5. An employee of P.W.S.A. found to have engaged in acts of violence or harassment against any other employee, worker, contractor, member, customer, supplier, client or other third-party during business hours, or at any event of P.W.S.A., will be subject to appropriate disciplinary action subject to the terms of any of P.W.S.A.'s relevant and applicable policies as well as the employee's Employment Agreement (if applicable).
6. This Code also applies to Participants' conduct outside of P.W.S.A.'s business, activities, and events when such conduct adversely affects relationships within P.W.S.A. (and its work and sport environment) and is detrimental to the image and reputation of P.W.S.A. Such applicability will be determined by P.W.S.A. at its sole discretion.

Persons in Authority and Maltreatment

7. *When they are a Person in Authority, Participants are responsible for knowing what constitutes Maltreatment. The categories of Maltreatment are not mutually exclusive, nor are the examples provided in each category an exhaustive list. Rather, what matters for the assessment of the Maltreatment is whether the conduct falls into one or more of

the categories, not into which category it falls. Abuse, assault, harassment, bullying, and hazing can be experienced in more than one category of Maltreatment.

8. *Maltreatment can be any of the prohibited behaviours and conduct, provided the Maltreatment occurs in any one or a combination of the following situations (The physical location(s) where the alleged Maltreatment occurred is not determinative):
 - a) Within a sport environment.
 - b) When the Participant alleged to have committed Maltreatment was engaging in sport activities.
 - c) When the Participants involved interacted due to their mutual involvement in sport; or
 - d) Outside of the sport environment where the Maltreatment has a serious and detrimental impact on another Participant.
9. *It is a violation of the Code for sport administrators or other Persons in Authority to place Participants in situations that make them vulnerable to Maltreatment. This includes, but is not limited to, instructing an Athlete and coach to share a hotel room when traveling, hiring a coach who has a past history of Maltreatment, assigning guides and other support staff to a para-Athlete when the guide or support staff has a reputation for Maltreatment or assigning such a guide or support staff to a para-Athlete in the absence of consultation with the para-Athlete.

- d) Refrain from associating with any person for the purpose of coaching, training, competition, instruction, administration, management, athletic development, or supervision of the sport, who has incurred an anti-doping rule violation and is serving a sanction involving a period of ineligibility imposed pursuant to the Canadian Anti-Doping Program and/or the World Anti-Doping Code and recognized by the Canadian Centre for Ethics in Sport (CCES).

Coaches

12. In addition to section 10 (above), coaches have many additional responsibilities. The coach-athlete relationship is a privileged one and plays a critical role in the personal, sport, and athletic development of the athlete. Coaches must understand and respect the inherent power imbalance that exists in this relationship and must be extremely careful not to abuse it, consciously or unconsciously. Coaches will:
- a) *Avoid any behaviour that abuses the Power Imbalance inherent in the coaching position to (i) establish or maintain a sexual relationship with an Athlete that they are coaching, or (ii) encourage inappropriate physical or emotional intimacy with an Athlete, regardless of the Athlete's age.
 - b) Ensure a safe environment by selecting activities and establishing controls that are suitable for the age, experience, ability, and fitness level of the involved athletes.
 - c) Prepare athletes systematically and progressively, using appropriate time frames and monitoring physical and psychological adjustments while refraining from using training methods or techniques that may harm athletes.
 - d) Avoid compromising the present and future health of athletes by communicating and cooperating with sport medicine professionals in the diagnosis, treatment, and management of athletes' medical and psychological treatments.
 - e) Support the coaching staff of a training camp, provincial team, or national team; should an athlete qualify for participation with one of these programs.
 - f) Accept and promote athletes' personal goals and refer athletes to other coaches and sports' specialists, as appropriate.

 - k) Under no circumstances provide, promote, or condone the use of drugs (other than properly prescribed medications) or performance-enhancing substances and, in the case of minors, alcohol, cannabis, and/or tobacco.

- l) Respect athletes playing with other teams and, in dealings with them, not encroach upon topics or actions which are deemed to be within the realm of 'coaching', unless after first receiving approval from the coaches who are responsible for the athletes.
- m) Not engage in a sexual relationship with an athlete under the age of majority.
- n) Disclose any sexual or intimate relationship with an athlete over the age of majority to P.W.S.A. and immediately discontinue any coaching involvement with that athlete.
- o) Recognize the power inherent in the position of coach and respect and promote the rights of all participants in sport. This is accomplished by establishing and following procedures for confidentiality (right to privacy), informed participation, and fair and reasonable treatment. Coaches have a special responsibility to respect and promote the rights of participants who are in a vulnerable or dependent position and less able to protect their own rights.
- p) Dress professionally, neatly, and inoffensively.
- q) Use inoffensive language, taking into account the audience being addressed.

 - f) Dress to represent the sport and themselves well and with professionalism.
 - g) Act in accordance with P.W.S.A.'s policies and procedures and, when applicable, additional rules as outlined by coaches or managers.

Officials

- 14. In addition to section 10 (above), officials will have additional responsibilities to:
 - a) Maintain and update their knowledge of the rules and rule changes.
 - b) Work within the boundaries of their position's description while supporting the work of other officials.
 - c) Act as an ambassador of P.W.S.A. by agreeing to enforce and abide by national and provincial rules and regulations.
 - d) Take ownership of actions and decisions made while officiating.
 - e) Respect the rights, dignity, and worth of all Participants.
 - f) Not publicly criticize other officials or any club or association.
 - g) Act openly, impartially, professionally, lawfully, and in good faith.
 - h) Be fair, equitable, considerate, independent, honest, and impartial in all dealings with others.

- i) Respect the confidentiality required by issues of a sensitive nature, which may include ejections, defaults, forfeits, discipline processes, appeals, and specific information or data about Participants.
- j) Honour all assignments unless unable to do so by virtue of illness or personal emergency, and in these cases inform the assignor or association at the earliest possible time.
- k) When writing reports, set out the actual facts.
- l) Dress in proper attire for officiating.

Provincial Women's Softball Association of Ontario **Talent Identification Program**

Every four years, our Association is responsible for sending a Provincial team to Canada Summer Games. As well, every two years Softball Canada picks a World Youth Team. In addition, they hold talent identification camps across the Country to supply our National Team.

It is therefore very important that our Association develop a talent bank if we are to field our best team for the Canada Games and place Ontario athletes on the National Teams.

4. Once the voting power is established, eligible voters must indicate in the chat box when they leave the room and when they return.
5. The Operating Rules and all other issues (except the By-Laws) shall be decided by a majority vote. (i.e. - more than half the votes cast)
6. In order to pass any amendment (main motion or amendment to the main motion) to By-Laws, two-thirds of the votes cast are required.
7. Abstainers do not go with the majority nor with the negative votes. They simply have elected not to vote and therefore, their vote does not count.
8. The Chairperson of any session is eligible to vote, and in the case of a tie, has a second and casting vote.
9. Any new proposal is a main motion.
10. Each of our printed “amendments” will be considered a main motion.
11. After the motion has been stated by the Chair, any member has the privilege of speaking to the question (motion).
12. The maker of the motion is entitled to open and to close debate on the motion.
13. All other persons may speak only once concerning a main motion or each amendment to the main motion.
14. There may be only two amendments to a main motion on the floor at any one time without calling for a vote.
15. An amendment (#2) to the amendment (#1) to the amendment (main motion) shall be voted on first. If this passes, the amendment (#1) [as amended] to the amendment (main motion) will be voted on next. If this passes, the amendment (main motion) will be voted on last. If amendment (#2) to the amendment (#1) to the amendment (main motion) is defeated, we vote on the amendment (#1). If this is defeated, we vote on the amendment (main motion).
16. If the first motion passes, the second is ruled out of order. If the first fails, we send the second to the floor.

HISTORY OF THE P.W.S.A.

It all began, according to Sandy Walters of Toronto, in an automobile! A small contingent of enthusiastic but discontent ball players were discussing the “sad” state of women’s softball...there was no controlling body for women. They were just an afterthought of the men’s organization. “Let’s form a softball union for all of Ontario”, suggested Bobbie Rosenfeld.

The very first notation in the P.W.S.A. minute book reads, “minutes of the meeting of those interested in women’s softball was held in Room 15, Central Y.M.C.A. on the evening of May 9th, 1931, at 8 p.m. There were 38 persons present.” The late John DeGruchy acted as the chairman of this important meeting which gave birth to the **PROVINCIAL WOMEN’S SOFTBALL UNION OF ONTARIO**. They elected Anne Spalding as the first president with H. Thomas as secretary and J. Moffatt as treasurer.

From 1931 to 1942, the Association consisted of but one division, Intermediate “A”. It wasn’t until 1942 that a Senior division was created. Then in 1945, a Junior series was formed; in 1947 Intermediate “B”; in 1951 Intermediate “AA” and “C”; 1952 saw the addition of Juvenile; 1957 Senior “AA” and Juvenile “B”; 1961 Intermediate “D” and minor zone series; 1964 Junior “C” and “D”; 1966 Minor “A” and “B”; 1971 Midget “A” and “B”, Novice “A” and “B”.

In 1953, the P.W.S.U. stopped using the O.A.S.A. rule book and printed their own. In 1954, the P.W.S.U. conducted their first coaching and umpiring clinics. It wasn’t until 1958 that men were permitted to run for office. Until that time, only women were allowed to stand for the executive. Mr. Gar Landers of Stratford was to be the first male president.

In 1961, the P.W.S.U. consisted of six executive members and 51 affiliated teams. In 1966, Art Van Nest of St. Catharines was appointed chairman of the very first minor softball tournament to be held by the P.W.S.U. In that same year, the first P.W.S.U. bulletin was circulated. Then yet another change in 1970 when play-offs changed from two-out-of-three series to the tournament style play-offs on a trial basis.

In 1976, the P.W.S.U. became incorporated and requested to change the word “Union” to “Association”. Sade Widmeyer, P.W.S.A. Umpire-in-Chief, developed the first umpire’s exam in this province. In 1976, there were 260 teams affiliated and 656 umpires. This same year saw the inaugural “Awards Dinner” at the annual meeting.

Gone by the wayside are the two-out-of-three series; telegrams ordering teams to play; all our umpires and our clinics, which were transferred to Softball Ontario. The P.W.S.A. never ceases to change, grow and expand. In 1990, the Tier II structure was introduced in the minor divisions on a trial basis for the smaller communities and first year clubs. It was highly successful and was made a permanent part of the P.W.S.A. in 1993, expanding to include all divisions of the P.W.S.A. Zone tournaments disappeared to be replaced by Qualifying Tournaments leading to Grand Championships. The P.W.S.A. annually sends teams to all classifications offered by Softball Canada, and maintains a leadership role in the technical arm of our sport as offered by Softball Ontario.

In our 93 years of history, many volunteers have contributed to the success of P.W.S.A., without whom our athletes could not play this game and advance to National and International events. It is time to pause and say a quiet “thank you” to all who made this possible.

Softball Canada COACHES GUIDES

Softball Canada, in collaboration with Provincial/Territorial Softball Associations, is proud to offer the Coaches Guide series. These guides are crafted in alignment with Softball Canada's Long-Term Player Development (LTPD) model, providing coaches with the necessary tools to enhance player development for individuals aged 12 to 17.

Each guide contains:

- A season's worth of practice plans:
 - **U13:** 18 practice plans
 - **U15:** 24 practice plans
 - **U17:** 34 practice plans including 10 indoor practice games
- Information on seasonal planning, practice planning, dynamic warm-up routines, and cool-down routines
- Key teaching points for each softball skill

Whether you are a beginner coach or an experienced coach, you can simply follow the practice plans as they are laid out or you can modify them to meet the individual needs of your players and team.
